Statements made during this conference call, as well as responses to questions asked during the question and answer portion, may contain certain statements relating to future results which are forward-looking statements. These statements are not historical facts, but instead represent only the Company's belief regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. It is possible that the Company's actual results and financial condition may differ, possibly materially, from the anticipated results and financial condition indicated in these forward-looking statements. Further information concerning the Company and its business, including factors that potentially could materially affect the Company's financial results, are contained in the Company's filings with the Securities and Exchange Commission. Some factors include: general economic conditions around the country; downward commercial property and casualty premium pressures; the competitive environment; the integration of the Company's operations with those of businesses or assets the Company has acquired or may acquire in the future and the failure to realize the expected benefits of such integration; and the potential occurrence of a disaster that affects certain areas of the States of California, Florida, Georgia, New Jersey, New York, Pennsylvania and/or Washington, where significant portions of the Company's business are concentrated. All forward-looking statements included in this conference call are made only as of the date of this call, and we do not undertake any obligation to publicly update or correct any forward-looking statements to reflect events or circumstances that subsequently occur or of which we thereafter become aware.
